UNDER STRESS
presents
The Backdrop
Cast of One
a play about getting ready

Cast of One

it's me
wherever I'm getting
ready to live.

at mine
at a friend's
away

one Backdrop
as many ways to be me
as I dare

Who I choose to be is my call.

six colors, all available

Getting ready

the very first scene

the part nobody sees
the *party* nobody sees

the songs that always hit
I almost don't want
to leave the feeling

a drink on the vanity
while I do my mascara
steady hand optional

Almost forgot the perfume.

available in six colors
deliveries from december 2

OG

the one I always come back to

the soul of the play of light

each occasion raises
the same question:
how much will be left
to the imagination?

there's only room to be
exactly who I want to be
day or night, day to night
and for when time is suspended
and the moment
becomes the place

A celebration of simplicity
in its boldest form.

Resort

off duty

tied, untied

free, wild, heart on the table

no space for mystery

it is what it is, I am who I am

Easy, untamed.

Party Edit

the night

I had the best time
getting ready

so the night can go
any way it wants

what I need
I brought with me

someone buys me a drink
or I do

the fabric moves when I walk in
I'm not even trying

everyone does their thing
I'm having mine.
